in Austin. Scot just received an M.B.A. from the University of Texas at Austin, and, contrary to an earlier announcement in the Participant, he never planned to marry his mother-in-law. We regret the error!

CLASS OF 1983

GREGORY SHELDON DAHL (Pasadena, California) is currently an independent graphic designer in Los Angeles.

DEVON KINKEAD (Providence, Rhode Island) is president of Extraction Systems, Inc., a carbon composite manufacturing company. “I started in the basement three years ago. We are projecting $500,000 in sales this year. I am doing volunteer work with the AIDS Action Committee in Boston through a program offered by Lifespring Inc., a company offering personal effectiveness seminars.”

LISA BOURGEAULT (Pasadena, California) writes, “In what seemed more like a Claremont Colleges reunion than a wedding, I was married to Tony Li (HMC ’82) on the mounds on the evening of June 27, 1987. The service was performed by BETSY HOOPER ’83, who had been ordained a deacon in the Episcopal Church that same morning. TOM BROCK ’83 was my ‘man of honor’ and Randy Potter (HMC ’81) was the best man. Professor Sheryl Miller was also present to join in the festivities. I think I was the first Pitzer alum to get married at Pitzer, but I’d be interested to hear from anyone who knows differently.”

GREG NUNN (Alexandria, Virginia) writes “Thank you for all the wonderful issues of the Participant. Here is an update of what I did since I graduated in ’83: in 1986, I obtained my M.S. in Public Management from Carnegie Mellon University; since January of 1987, I have been working for the U.S. Department of Housing and Urban Development (HUD).”

JILL ANNE COMSKY (Sherman Oaks, California) is working, and playing, as a preschool teacher at a school in Woodland Hills, and having a wonderful time! “Here, I am putting to good use my B.A. in dramatic arts. Hello to Steve Glass and his wife and to President Ellsworth, as well! Congratulations to WHIT MEAD ’87 and LAURA PEPE MEAD ’85 on their marriage.”

RUSSELL F. LEDONNE (New York, New York) was married to Nancy Lynne White on June 25, in Brandon, Vermont. Nancy is a practicing attorney in New York, and Russell is working on his master’s degree in American studies.

MALEE STEARNS (Brighton, Massachusetts) is marketing director of Lawyers Weekly Publications and Lawyers Alert.
magazine in Boston. She also reports "KATHY FALTER ’83 was married in July, 1987, and KELLEY GIPSON ’83 will be married November, 1988." (Kathy and Kelley: the Alumni Office needs your addresses!)

LISA ZHITO (Brentwood, Tennessee) reunited for a fun weekend in New York City with MELISSA CATES ’80 (New York City). Melissa, an attorney, has just started a new job with an entertainment law firm in New York. Lisa is a reporter and editor for Amusement Business, an entertainment trade paper. They send their hello's to all of their friends at Pitzer.

MARK TENNENBAUM (New York, New York) has recently received his M.B.A. from UC Los Angeles. He and Alisa Gong moved to New York in August. They plan to marry. Mark works in investment banking for the Paribas Corporation. Alisa works with Colgate Palmolive as assistant production manager. Mark says he would love to hear from friends and looks forward to an alumni event in New York.

KATIE LEIGHTON WOLFE (Claremont, California) and BRAD WOLFE ’86 were married on July 23. The wedding was held at Katie’s family’s summer home in Guilford, Connecticut, on Long Island Sound. After the wedding, the couple vacationed in the Virgin Islands. Katie has been promoted to director of Admissions for Pitzer, and Brad recently took a position as associate development officer here. Quite the Pitzer family, eh?

CLASS OF 1984

YVETTE G. ROGERS (Pelham Manor, New York) has been active in volunteer work. She is president of the Junior League and runs a day care center. She sends her hello’s to professors Steve Glass, Don Brenneis, and Dorothea Yale. Calling all members of the Class of 1984: Your reunion weekend is May 19-21. Please 714-621-8130 for more details.

CLASS OF 1985

JOHN LEE FOLMAR (Huntington Beach, California) is working for a carrier service while sending off applications for medical school. “All this after a try in real estate and ‘Yuppydom.’ I was a loan officer with First Alliance Mortgage Company. The money was there but nothing else was. Hi to SCOTT SILVERMAN, STEVE SHEPARD ’84, MICHAEL TEAHAN, PAUL DEEDS, and finally WALT MORRIS, whom I occasionally beat in racquetball. Also hi to Dr. Sadava and all of the Joint Science Department.”

STEVE GONZALES (Berkeley, California) worked for one year after graduation as a paralegal in Los Angeles. After that time, he went to Japan for two years on a Rotary Scholarship and studied law. He has just returned from a three-month stay in Guatemala where he was studying Spanish. In August, Steve will begin law school at UC Berkeley.

CLASS OF 1986

ROBERT PAT WHITE (Tacoma, Washington) married Emma Sandeman on July 9, 1988. Emma is a citizen of New Zealand. Pat lives in Tacoma, Washington, and spends a lot of time with ULVAR KLEIN ’84, who got married in February, 1988. Pat writes, “Having a great time, will be leaving for Germany in December, 1989. Hi everybody, sure miss the sun and fun of Pitzer. Hello to Glenn Goodwin.” (Pat, how about sending the Alumni Office your address?)

JEFF MOSES (Glendora, California) reports “I’m up to a typical amount of naughty business. Former director of Radio Promotions for Dr. Dream Records, current contributing editor for Big Magazine (a Larry Flynt publication/rock fanzine), and lastly, I’m unemployed and searching for a day job. I’ve settled in beautiful, smoggy Glendora and have no problem operating a toaster or blender. Hello to Barry, Al, and the rest of the Pitzer’s English staff.”

KARLA MILLER (Claremont, California) and JIM FISK ’87 are leaving Claremont to move back to the New York City area. They are planning an October wedding. Hi’s and bye’s to Barry, Ruth, Lee, L AUD, G2, Don, Ann, Cheryl, and Rick.

JOHN CARDOZA (Palo Alto, California) is engaged to Betty Blum of Redondo Beach and was recently promoted to regional vice president of B.R. Inc. “To my fellow Pitzoids: Trust me, it smells like roses.”

CLAIRE HACKETT (Washington, D.C.) says “Things are going well in D.C., I manage a solo practice for an Ob-gyn surgeon and really love it. I don’t think this is a calling of any sort (I’m not up for another 7 years of medical school!). Besides, I’m planning to get married next spring to Doug Adams, a banker from NYC. We’ll stay in D.C. though for a million reasons, among them a better cost of living. If anyone ever asks—‘I’m doing great and would love to speak with, write to, host, or entertain any former, present, or future Pitzer students?”

BERNADETTE COGHLAN (Walden, New York) is keeping busy doing real estate appraising. She has joined the National Society of Real Estate Appraisers and has taken many classes en route to a professional designation. In April, she enjoyed a visit from ROBERT MADERO. They toured New York City and NBC Communications in Rockefeller Center, where Robert’s company does its New York business. One more thing, she’s moved. Those interested can drop her a note at: 58 Matthews Lane, Washingtonville, New York 10992, 914-486-8803.

NIEL NORTON (La Honda, California) has been working in his family’s software business since graduation. His plans are to go to Baja California to build a house, then travel to South America, and afterwards perhaps return to school in California.

BRAD WOLFE (Claremont, California) and KATIE LEIGHTON WOLFE ’83 were married on July 23. The wedding was held at Katie’s summer home in Guilford, Connecticut, on Long Island Sound. After the wedding they vacationed in the Virgin Islands. Katie has been promoted to director of Admissions for Pitzer, and Brad recently took a position as associate development officer here. Quite the Pitzer family, eh?
Dear Friends:

As we celebrate the 25th anniversary of the founding of Pitzer College, we are reminded that from the beginning Pitzer has endeavored to make a difference—a difference in the lives of students who are educated here, a difference in the lives of alumni and friends who continue to be touched by the College, and a difference in the larger world community as the College helps to prepare responsible leaders.

Your continuing support, in turn, makes a very important difference to Pitzer. Each year it becomes more costly to ensure the environment that makes Pitzer’s individualized educational program so distinctive. The fact that you—alumni, trustees, parents, corporations, foundations, faculty, staff, students, and friends—continue to demonstrate your commitment to the College’s present vitality and future promise is an affirmation of the excellence of the work being done here. We gratefully acknowledge the difference that your generosity has made, and we hope that we will have your ongoing help in sustaining Pitzer’s unique educational programs.

Sincerely,

Peter S. Gold
Chairman
Board of Trustees
We are pleased to take this opportunity to recognize those donors who supported the College during the past fiscal year, July 1, 1987 through June 30, 1988. This support was received in the form of Annual Fund Gifts and Special Gifts. Annual Fund Gifts are unrestricted and help support the ongoing activities of the College. By helping to sustain the excellence of Pitzer's educational programs, these gifts play a significant role in maintaining the vitality of the College. Special Gifts strengthen the College by underwriting specific projects or adding to endowment. They may enhance educational programs, or make possible new construction, renovation or maintenance of existing facilities. Such gifts represent important investments in the future of the College.

**Russell K. Pitzer Founders Society**

If “foundation” is defined as “the basis upon which something stands,” the members of the Russell K. Pitzer Founders Society have truly provided the College with a foundation by making gifts that total $100,000 or more. Memorial Contributions

Memorial gifts serve as a means of honoring the memory of alumni, faculty and friends of the College. Funds received as memorials may be used in a variety of ways, from supporting scholarships, to furnishing the special needs of a department, to providing income for facilities. Gifts in memory of the following alumni, faculty and friends of Pitzer were made during the last fiscal year.
