Earning Rates

Eligible staff members will be granted three (3) days (24 hours) of sick time after completing 30 days of employment or immediately upon rehire if the 30 days have been met previously and every July 1 thereafter, following their date of hire.

“Paid sick days” means time that is compensated at the same rate as the employee normally earns during regular work hours.

Maximum Balances

Eligible staff members may not accrue more than 3 days (24 hours) of sick leave at any time. Accrued unused sick time will not be paid at the time of termination.

Usage

Eligible staff members may use sick leave beginning on the 90th days of employment or immediately if the 90 days have been previously met.

If the need for paid sick leave is foreseeable, the staff member shall provide reasonable advance notification. If the need for paid sick leave is unforeseeable, the staff member shall provide notice of the need for the leave as soon as practicable to the staff member’s direct supervisor.
